OPERATIONAL UPDATES
BURKINA FASO

WFP School canteens activities could not start in October because emergency canteens lacked resources while regular canteens were subject to security-related instability.

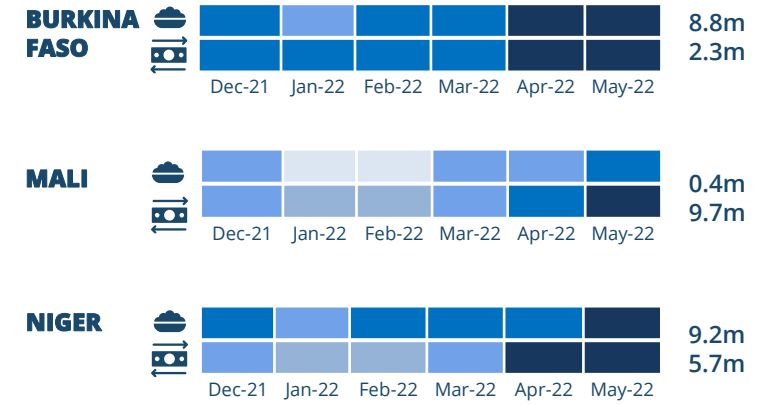

MALI

WFP is preparing an emergency response scale-up in Niono and Ségou due to deterioration of humanitarian context. More than 106,000 people affected by conflicts will be assisted through CBT and in-kind distributions.

NIGER

In October WFP undertook its first voucher distribution to 5,817 beneficiaries in Tillabéri and Tahoua. The project aims to reinforce local production and consumption of fortified or nutritious foods, targeting pregnant and lactating women and children aged 6 to 23 months.
